

O'Reilly's 'Eco Ranger' program is a fun and creative way for children aged 5 and over to spend their time at O'Reilly's, as well as a nice opportunity for parents to relax!

Eco Ranger activities run Queensland and NSW school holidays, subject to numbers. The activities are based on environmental education concepts that incorporate learning about the rainforest and it's weird and wonderful inhabitants with fun games, arts and crafts. All activities have been designed with the children's safety in mind and while participating, the children are supervised at all times by a qualified staff member.

ECO-RANGERS DISCOVERY PROGRAM FOR KIDS

\$12 PER SESSION. Book at Discovery Centre or Reception Desk.

Day	Mornings for 4-8 year olds 9am – 11.30am	Afternoons for 8-14 year olds 2pm – 4.30pm	Evenings for all. 5:30pm – 8pm
Sunday	Sensational senses See, enjoy and explore the rainforest through the senses as we embark on an awesome morning adventure!	Creeks and Streams Use nets and buckets and discover life within the creeks! We'll be on the lookout for tadpoles, bugs and grubs, different plants and get up close with crayfish!	Bushcraft and Kid's Movie After a kids-only dinner we'll create bush creatures and craft from items collected off the forest floor and watch a cool movie!
Monday	Frogs and Pond Life We'll splash in the nearby ponds and have a close look at what lurks beneath the surface as we enter the amazing world of amphibians!	Rainforest adventure Join us for an expedition through the rainforest to uncover the secrets of the ecosystem. We'll go wild as we look at the rainforest from the floor to the canopy.	Bushcraft and Kid's Movie After a kids-only dinner we'll create bush creatures and craft from items collected off the forest floor and watch a cool movie!
Tuesday	Feathers and Flight Let's look at some stunning birds and why they are so clever! We'll try to make some nests as well as explore flight hands on!	Bush camp During Bush Camp we'll go on a rainforest adventure, have tent building races, learn a few tips about exploring in the bush and even learn what to do if you get a snake bite!	Bushcraft and Kid's Movie After a kids-only dinner we'll create bush creatures and craft from items collected off the forest floor and watch a cool movie!
Wednesday	Bush camp During Bush Camp we'll go on a rainforest adventure, put up an tent, learn a few tips about exploring in the bush and even learn what to do if you get a snake bite!	Eco Detectives We'll put on our gloves and examine the forest very closely to determine the good and the bad inside the rainforest during this exciting case!	Bushcraft and Kid's Movie After a kids-only dinner we'll create bush creatures and craft from items collected off the forest floor and watch a cool movie!
Thursday	Rainforest adventure Join us for an expedition through the rainforest to uncover the secrets of the ecosystem. We'll go wild as we look at the rainforest from the floor to the canopy.
